

Personal Prayer Building

Pick one word from each column to form a prayer that represents your dominant relationship to God. If you cannot find the precise word you want in a column, supply your own, but limit it to one word; no long phrases or hyphenated constructions. The struggle to find a single word will force greater clarity within you.

| | | | | | | |
|------------------|-----------------|-------------|------------------|-----------------|------------------------|----------------------|
| Eternal | God | your | believing | daughter | prays for | love |
| Loving | Lord | your | doubting | son | cries for | faith |
